

ABHA Overview

Ayushman Bharat Health Account (ABHA)

1. Ayushman Bharat Health Account (ABHA) is a 14-digit number that uniquely identifies user as a participant in India's digital healthcare ecosystem.
2. ABHA establishes a strong and trustable identity for an individual that is accepted by healthcare providers and payers across the country.
3. ABHA helps in maintaining all digital health records of an individual as bank account does for financial transactions.
4. The ABHA Number is used for the purposes of uniquely identifying persons, authenticating them, and threading their health records (only with the informed consent of the patient) across multiple systems and stakeholders.

The screenshot displays the 'Create ABHA Number Using Aadhaar' interface. At the top, there are logos for the National Health Authority and Digital Health, along with a 'Create ABHA Number' button. A navigation bar includes 'Home', 'About Us', 'Resource Center', 'Support', 'ABHA Login', 'Facility Login', and 'ABHA Address'. The main content area shows a progress bar with four steps: 'Consent Collection' (completed), 'Aadhaar Authentication' (current step), 'Communication Details', and 'ABHA Address Creation'. A modal dialog box is centered on the screen, featuring a green checkmark icon and the text: 'Mobile number for communication is same as Aadhaar number. No additional information required.' Below the text is an orange 'Continue' button, which is highlighted by an orange arrow. The background form shows an OTP confirmation step with a grid of numbers (8, 4, 8, 1, 0, 7) and a mobile number field containing '+91 9999009886'. A 'Next' button is visible at the bottom right of the form area.

ABHA ID Creation

- ✓ Enter **ABHA Address** from suggestions list or else enter customize address
- ✓ Click **Create ABHA**

The screenshot displays the 'Create ABHA Number Using Aadhaar' page. At the top, there are logos for the National Health Authority and Digital India, along with a 'Create ABHA Number' button. A navigation bar includes links for Home, About Us, Resource Center, Support, ABHA Login, Facility Login, and ABHA Address. A progress bar shows four steps: Consent Collection, Aadhaar Authentication, Communication Details, and ABHA Address Creation, all marked as complete. The main section is titled 'Create Your Unique ABHA Address' and explains that an ABHA address is a unique username for digital health records. It specifies a minimum of 8 characters and a maximum of 18 characters, allowing for one dot and one underscore. Below this is a text input field labeled 'Enter ABHA address*' with a green checkmark and a dropdown menu showing '@abdm'. A red circle with the number '1' highlights the input field. Below the input field, suggestions are listed: 'nitin_971981', 'nitinbansal.1981', and 'nitin.97'. A red circle with the number '2' highlights the 'Create ABHA' button, which is pointed to by a red arrow.

The screenshot displays the user interface of the National Health Authority (NHA) portal. At the top, there are logos for the national health authority and the Digital India mission. A user profile picture is visible in the top right corner. The main content area is divided into a left sidebar and a central panel. The sidebar contains navigation options: My Account, ABHA card, Edit profile, Set password, Re-KYC verification, and Deactivate/Delete. The central panel shows a welcome message for 'Nitin Bansal' and options to 'Download ABHA card' and 'Print ABHA'. Below this, a blue header identifies the user as 'Ayushman Bharat Health Account (ABHA) आयुष्मान भारत स्वास्थ्य खाता (आभा)'. The main section displays the user's profile information, including a QR code and a photo placeholder. The profile details are as follows:

Field	Value
Name/नाम	Nitin Bansal
ABHA number/आभा-संख्या	9999999999999999
ABHA address/आभा पता	12345678901234567890
Gender/लिंग	Male
Date of birth/जन्मतिथि	12/12/2000
Mobile/मोबाइल	9876543210

At the bottom of the page, there are logos for the national health authority, the Ministry of Health and Family Welfare, the Ministry of Electronics and Information Technology, the india.gov.in portal, and the Digital India mission.
