Sir,

You will be pleased to know that Udaipur chapter of Association of physicians of India is organizing 20<sup>th</sup> RAJAPICON - 2009 at Udaipur on 14<sup>th</sup> and 15<sup>th</sup> November 2009. During these two days eminent medical scientists of national and international repute will deliver interactive lectures on current medical problems. Thus this conference will give them a platform to update their knowledge.

It is our earnest request to you to depute as many government doctors from various hospitals to attend this conference so as to make this event fruitful and successful.

Thanking you with warm regards.

Yours Sincerely
