Sub: Masters in Public Health - Intimation for Nominations

Dear Sandhu,

Greetings from SRM University!!!

I am happy to inform you that School of Public Health, SRM University has announced the 4th batch of MPH admissions for the academic year 2010-2012 (please refer the enclosed advertisement in THE HINDU)

In an earnest endeavour to nurture Public Health Talents, SRM University has established the School of Public Health. The school aims at providing high quality public health education that meets the expectations of Government, NGOs and the Health Care Industry. The school is guided by an expert advisory group chaired by Dr. Nirmala Murthy. The school has established many academic and research tie ups with universities both India and abroad.

About 50 students have completed the MPH program till date. Four Medical Officers have been nominated by the Government of Gujarat both at State Level and District Level. One Medical Officer at State Level has been nominated by the Government of Karnataka. We have students who are qualified Physiotherapist, Optometrist, Allied Medical Sciences Specialists, Dentist, Bio Medical Engineers, Arts and Science Graduates who are pursuing their Masters in Public Health.

We would be much obliged if you could nominate few of your candidates for the proposed Post Graduate Programme who are interested in doing a Masters in Public Health .

Looking forward for your kind support in this Programme.

For further details please call me at (0)-9940636057 / 09884802421 (or mail me at dean@sph.srmuniv.ac.in)

With warm regards,
Sincerely Yours,

Prof Ch. Satish Kumar
Dean
