Subject: Training Course on 'Basic Health Economics and Financing (4-8 October, 2010).

Sir/Madam,
D.M. & H.S. (M.H.)

National Institute of Health & Family Welfare is organizing a training course on 'Basic Health Economics and Financing during 4-8 October, 2010. The objective of this training course is to enhance the competencies of state health administrators and faculty of medical colleges & training institutions in the area of health economics and financing. A brief introduction of the course is attached herewith.

You are requested to kindly nominate the suitable official from your state/department/ organization to participate in the training course. Nominations for the course may kindly be forwarded to Dr.K.S.Nair, Course Coordinator (e-mail: ksnair.nihfw@gmail.com). Early intimation of your nomination will help us to communicate with the prospective candidates well in time and make necessary arrangements.

For this course

- The expenditure on TA/DA of the participants will have to be borne by the respective states/organizations. However, no course fee is chargeable.
- Moderate boarding and lodging facilities are available only for the participants in the hostel at the institute on payment of nominal scheduled tariff. Due to limited hostel facilities relatives/spouse/friends/guests cannot be accommodated in the hostel.
- Maximum number of participants that can be accommodated is 25. Therefore, it would be appreciated if nomination of participants in the above mentioned course is communicated to the institute by 20th September, 2010. Participants should report for the course only after they receive an acceptance letter from the institute

An early action in the matter is requested.

Thanking you,

Yours faithfully,

(Deoki Nandan)

सेवा में,

विषय - बुनियादी स्वास्थ्य आर्थिकी एवं वित्त पोषण पर प्रशिक्षण पाठ्यक्रम का आयोजन (4 - 8 अक्टूबर, 2010)।

महोदय/महोदया,

राष्ट्रीय स्वास्थ्य एवं परिवार कल्याण संस्थान नई दिल्ली द्वारा मेडिकल कालेजों, नर्सिंग कालेजों तथा राज्यों में राजकीय स्वास्थ्य एवं परिवार कल्याण संस्थानों में सामुदायिक औषधि विभाग के संकाय सदस्यों के लिए 4 - 8 अक्टूबर, 2010 की अवधि में बुनियादी स्वास्थ्य आर्थिकी एवं वित्त पोषण विषय पर प्रशिक्षण पाठ्यक्रम का आयोजन किया जा रहा है। इस प्रशिक्षण पाठ्यक्रम का उद्देश्य स्वास्थ्य आर्थिकी तथा वित्तपोषण के क्षेत्र में मेडिकल कालेजों तथा प्रशिक्षण संस्थानों के राज्य स्वास्थ्य प्रशासकों एवं संकाय सदस्यों की क्षमता में वृद्धि करना है। इस पाठ्यक्रम संबंधी एक संक्षिप्त विवरणिका (ब्रोशर) आपके अवलोकन हेतु यहां संलग्न है।

अतः आपसे अनुरोध है कि उपर्युक्त प्रशिक्षण पाठ्यक्रम में भाग लेने के लिए अपने राज्य/विभाग/संगठन से प्रतिभागियों को नामित करने का कष्ट करें। पाठ्यक्रम हेतु नामांकन इस संस्थान में डॉ. के. एस. नायर, पाठ्यक्रम समन्वयकर्ता (ई मेल - ksnair.nihfw@gmail.com) को यथाशीघ्र भेजने का कष्ट करें। आपके द्वारा शीघ्र नामांकन भेजने से हमें भावी प्रतिभागियों के साथ समय पर संपर्क करने तथा आवश्यक प्रबन्ध करने में सहायता मिल सकेगी। इस प्रशिक्षण पाठ्यक्रम के संबंध में निम्नलिखित बिंदुओं को नोट करने का कष्ट करें।

- प्रतिभागियों के यात्रा भत्ते/दैनिक भत्ते पर होने वाला व्यय उनके संबंधित राज्यों/संगठनों द्वारा वहन किया जायेगा। किन्तु, कोई पाठ्यक्रम फीस देय नहीं है।
- संस्थान के हॉस्टल में केवल प्रतिभागियों के लिए सामान्य दरों पर भोजन तथा ठहरने हेतु सुविधा-उपलब्ध है। हॉस्टल में सीमित सुविधाओं के कारण, हॉस्टल में किसी संबंधी/दंपति/मित्र/अतिथि को ठहरने की अनुमति नहीं दी जा सकती है।
- इस पाठ्यक्रम के लिए अधिक से अधिक 25 प्रतिभागियों को लिया जा सकता है। अतः उपरोक्त पाठ्यक्रम के लिए नामांकन 20 सितम्बर, 2010 तक भेज सके, तो सराहनीय होगा। प्रतिभागियों को इस संस्थान से स्वीकृति पत्र प्राप्त होने के पश्चात ही पाठ्यक्रम के लिए रिपोर्ट करनी चाहिए।

अनुरोध है कि इस बारे में शीघ्र कार्यवाही करने का कष्ट करें।

सधन्यवाद,

भवदीय,

(देवकी नन्दन)

Course Associate : Mr. Bacchu Singh

About the Institute

The National Institute of Health and Family Welfare is a premier autonomous Institute, funded by the Ministry of Health and Family Welfare, Government of India. It has kept pace with the new thinking and contributing substantially to the health manpower development in the country.

NIHFW serves as an apex 'technical institute' as well as a 'think tank' for the promotion of national health and family welfare programmes in the country through education and training, research and evaluation, consultancy, advisory, and specialized services and specialized projects.

Location of the Institute

It is situated in South Delhi, near Jawaharlal Nehru University and Munirka DDA Flats. It is easily accessible from both the Indira Gandhi International Airport and the New Delhi Railway Station, approximately 7 kms. and 15 kms. respectively. Pre-paid taxis/auto-rikshaws are available.

Course Fee

There is no course fee. However, TA/DA of the participants will be borne by the States/Sponsoring organizations.

Accommodation

Moderate hostel accommodation at nominal rates would be provided to the participants only within the Institute's Campus.

Weather

Weather in October will be pleasant and woolen clothes will not be required.

Last Date for Receiving Nominations

20 September, 2010

(Participants are requested to make their travel plans only after receiving confirmation of participation in the course from NIHFW.)

TRAINING COURSE ON BASIC HEALTH ECONOMICS AND FINANCING

4-8 October, 2010

ओरोप्यम् सुखसम्पदा

Department of Planning and Evaluation
National Institute of Health & Family Welfare
Munirka, New Delhi 110 067

Introduction

Economic considerations play a key role in all aspects of the life including health. Health services absorb a significant proportion of both public and private resources. Both developed and developing countries face the problem of scarce resources to expand the health services need of their population. It is therefore important to maximize the returns from available scarce resources in health sector for achieving better health outcomes. Professional competence in health economics helps policy makers, planners and administrators to make the techno-economic choices, avoid waste and increase efficiency and effectiveness in the health sector.

The present training course has been organized to orient, sensitize, share and contribute towards professional economic thinking and practice in health planning and management. The teaching resources for this training course have been considered from practicing health administrators, university teachers and those who have been responsible for policy making and planning in advisory positions at different levels in different organizations. Evidence based deliberations culled out of surveys and studies of various institutions will also form part of facilitation to make the course programme effective and realistic as far as possible.

General Objective

The aim of the course is to enhance the competencies of state health planners, administrators and faculty of medical colleges in India in the area of health economics and financing.

Specific Objectives

At the end of the course, the participants will be able to:

1. Describe the basic concepts and approaches of health economics and financing.

2. Identify and facilitate the areas of applicability, relevance and significance of economics in health sector.
3. Describe sources and mechanisms of financing for health programmes and activities.
4. Describe tools and techniques of economic evaluation, resource allocation and effective utilization.
5. Discuss the concepts and approaches in financial management, budgeting and national health accounts.

Course Contents

- ★ Basic concepts and approaches of health economics, their relevance and application.
- ★ Economic aspects relating to health care delivery system in India.
- ★ Tools of economic evaluation: cost effectiveness, cost benefit and utility analysis.
- ★ Health care financing in India: alternative sources of financing, role of user charges; appropriate use of money generated, equity and efficiency in health care financing system in India.
- ★ Principles of health insurance, role of community based health insurance schemes.
- ★ Financing reforms in India.
- ★ Financing strategies under NRHM.
- ★ Financial management, budgeting and financial analysis in health sector.
- ★ National Health Accounts.

Methodology

Lecture discussion, presentation by participants, group work/exercises.

Nature of Participants

State health administrators, faculty of medical colleges, SIHFWs and other training institutions.

Number of Participants

Appx. 20-25 participants

Duration

4-8, October, 2010 (Five working days)

Course Outcome

The course would enhance the competence of state health administrators and faculty of medical colleges in the macro and micro areas of health economics and financing. Trained officials can conduct similar courses in their respective States.
