Sub: Professional Development Programme on 'Total Quality in Hospitals and Health Care Services' from 14 - 16 December 2010 at ESCI, Hyderabad

Dear Sir,

- We are pleased to inform you that Quality & Productivity Division of our Institution is organizing a professional development programme on 'Total Quality in Hospitals and Health Care Services' from 14 - 16 December 2010 at ESCI, Gachi Bowli, Hyderabad. The aim of the programme is to bring together organizations and persons committed to improving the quality of health services in resource-constrained environments.
- Health and education are taken as indicators for quality of life of a nation. Quality Council of India (QCI) has made commendable contribution through an accreditation mechanism. National Accreditation Board for Hospitals & Healthcare Providers (NABH), as a constituent of QCI, has announced accreditation facility for hospitals at secondary and tertiary levels. It will stimulate continuous improvement in the health care industry and shall raise community confidence in quality of the services provided by the hospitals and healthcare institutions. Patients shall be the biggest beneficiaries as it would result in high quality of care and patient safety.
- This programme will provide **Holistic Solutions to Quality Assurance System in the Health Care Sector. Enclosed brochure explains the programme benefits, coverage and fee.**
- In view of the importance of the much needed quality assurance in hospitals we request you to **depute Health Care Professionals and Doctors to attend the above programme**

With Kind Regards

Yours Sincerely

M. Subha

(M Subha)
