Dated 27.1.10

All Principal, Medical colleges and Controller attached Hospitals.  
All Joint Director, Zone

All Principal Medical Officer,

All Chief Medical & Health Officer,

Subject :- Short duration skill-up gradation courses for in service S.M.O./ M.O.

R.H.S.D.P. has proposed short duration skill-up gradation courses for in service S.M.O./ M.O to over come the shortage of man power and to ensure the optimum utilization of infrastructure developed by department. The first batch is proposed to be started shortly and to be completed in six months. For the specialty Neonatology the only P.G. Degree / Diploma holders in Paediatrics are eligible. As such the interested persons who fulfills the other criteria laid down below may submit their application duly forwarded by their administrative officer so as to reach this Directorate on or before **02.02.10** **personally**. The counseling for selection will be held on **15.02.10** at Directorate.

The minimum criteria of selection will be as under :

1. Regularly selection as M.O. by RPSC or Rural Medical Officer.
2. Minimum 5 years of working experience in which specially 3 years of experience of working in rural / tribal / desert areas.
3. 15 years service left.
4. The candidate will serve the Government sector (as per the requirement of Government) for at least 15 years with Government of Rajasthan after obtaining the training.
5. Selection and deputation will be done by Directorate, Medical & Health Services and courses will be conducted by Govt. Medical colleges.
6. Examination will be conducted by Rajasthan University of Health sciences.

This may be given up PRIORITY.
