Respected Sir,

The 7th INDO-US Emergency Medicine Summit will be held at All India Institute of Medical Sciences, New Delhi on 30th September and 1st and 2nd October 2011. The Pre-Conference will be held on 28th and 29th September 2011 at University College of Medical Sciences, New Delhi.

Sir, as you are aware, Medical Council of India has recognized Emergency Medicine as a separate specialty in 2009. This has paved the way to the beginning of Post Graduate Programs at Medical Colleges across India. Currently, over 25 Medical Colleges are in different stages to start MCI recognized PG courses in Emergency Medicine.

INDUS-EM 2011 is a Level One International Academic Meeting dedicated to Emergency, Trauma and Disaster Medicine. It emphasizes Faculty enhancement, Research and Career Development for Students, Residents, Nurses, Paramedics and Faculty. At the INDUS-EM, in addition to lectures, symposia and over 200 hours of education there are multiple competitions for Residents, Medical Students, Practitioners, Specialists, Nurses and Faculty.

We write this letter to personally solicit your support for the INDUS-EM Summit. We request you to kindly depute doctors, nurses & paramedics working in your State to attend the Summit.

Hope to have your support,

Thanking you.

Nirmal Thakur
Chief Information Officer &
Conference Coordinator M-09868398534
