- Swasthya Bhawan, Tilak Marg, C-Scheme, Jaipur, Pin.302005

No. : CFSDC/Blood Centre/2025/ 2363

Date : 08-05-2025

Medical Officer In-charge,
All Blood Centre's and Blood Storage Centre's (Govt./Pvt.)
Rajasthan

Subject: Maintaining Blood/Blood Components Stock in Blood Centers and Blood Storage Centre as an Emergency Measure

As an emergency measure, we require all blood centers and Blood Storage Centre to maintain an adequate stock of blood/blood components to ensure timely availability for patients in need. Kindly ensure following steps for the same:

1. Monitor inventory levels: Regularly check blood/blood components stock levels and ensure adequate quantities of all groups of blood/blood components.
2. Prioritize stock management: Focus on maintaining optimal stock levels, especially for critical blood groups.
3. Coordinate with donors: Encourage regular donors to donate blood in blood centre as well as in blood donation camp to be organised and reach out to potential donors in emergency situations.
4. Ensure proper storage: Maintain proper storage conditions for blood/blood components to prevent hemolysis/expire and ensure their efficacy.

Your prompt attention to this matter will help ensure the availability of blood for all the patients in need in the State of Rajasthan.
