

RESULTS OF TECHNICAL EVALUATION

Technical bids have been evaluated for the selection of new service provider for operating of "Emergency Response Services" popularly known as "108 Ambulance Service Project" in the State of Rajasthan. Four bids have been received:

Outcome of Technical evaluation of the 4 bids is as below:

S.n	Name of bidder	Responsive/non-responsive	reasons
1	M/s Zigitza Healthcare Ltd.	Non-Responsive	Bidder does not have a turnover of Rs.10.00 crores in the financial year 2009-10, hence the qualification criteria is not fulfilled.
2	M/s Jain Video on Wheels Ltd.	Non-Responsive	MMU/MMV is not an emergency response ambulance. The Lead member doesn't fulfill the requirement of net worth on proportionate basis as required under the RfP stipulations.
3	M/s BVG India Ltd.	Non-Responsive	M/s BVG (lead member) does not have turnover in this segment and other member M/s U.K. Specialist Ambulance Services does not have turnover in the year 2009-10, therefore the consortium does not fulfill the requirement of having the turnover of Rs. 10.00 crores in the segment for last three financial years
4	M/s GVK-EMRI	Responsive	-

As the technical evaluation of the bids is complete, hence the financial bid of the qualifying bidder will be opened online on 08.05.13 at 5pm.
