18. Approved samples would be retained free of cost upto the period of six months after the expiry of the contract. The Government shall not be responsible for any damage, wear and tear or loss during testing, examination, etc., during the period these samples are retained.

The Sample shall be collected by the tenderer on the expiry of stipulated period. The Government shall in no way make arrangements to return the samples. The samples

uncollected within 9 months after expiry of contract shall be forfeited by the Government and no claim for their cost, etc., shall be entertained.

19. Samples not approved shall be collected by the unsuccessful tenderer. The Government will not be responsible for any damage, wear and tear, or loss during testing, examination, etc., during the period these samples are retained. The uncollected samples shall be forfeited and no claim for their cost, etc., shall be entertained.
20. Supplies when received shall be subject to inspection to ensure whether they conform to the specifications or with the approved samples. Where necessary or prescribed or practical, tests shall be carried out in Government laboratories, reputed testing house like Sri Ram Testing House, New Delhi and the like and the supplies will be accepted only where the articles conform to the standard of prescribed specifications as a result of such tests.
21. **Drawl of Samples:** In case of tests, samples shall be drawn in four sets in the presence of tenderer or his authorised representative and properly sealed in their presence. Once such set shall be given to them, one or two will be sent to the laboratories and/or testing house and the third or fourth will be retained in the office for reference and record.
22. **Testing charges :** Testing charges shall be borne by the Government. In case urgent testing is desired to be arranged by the tenderer or in case of test results showing that supplies are not upto the prescribed standards or specifications, the testing charges shall be payable by the tenderer.
23. **Rejection:**
 - (i) Articles not approved during inspection or testing shall be rejected and will have to be replaced by the tenderer at his own cost within the time fixed by the Purchase Officer.
 - (ii) If, however, due to exigencies of Government work, such replacement either in whole or in part, is not considered feasible, the Purchase Officer after giving an opportunity to the tenderer of being heard, shall for reasons to be recorded, deduct a suitable amount from the approved rates. The deduction so made shall be final.
24. The rejected articles shall be removed by the tenderer within 15 days of intimation of rejection, after which Purchase Officer shall not be responsible for any loss, shortage or damage and shall have the right to dispose of such articles as he thinks fit, at the tenderer's risk and on his account.
25. The tenderer shall be responsible for the proper packing so as to avoid damage under normal conditions of transport by sea, rail and road or air and delivery of the material in good condition to the consignee at destination. In the event of any loss, damage, breakage or leakage or any shortage the tenderer shall be liable to make good such loss and shortage found at the checking inspection of the materials by the consignee. No extra cost on such account shall be admissible.
26. The contract for the supply, can be repudiated at any time by the Purchase Officer, if the supplies are not made to his satisfaction after giving an opportunity to the tenderer of being heard and recording of the reasons for repudiation.
27. Direct or indirect canvassing on the part of the tenderer or his representative will be a disqualification.

28. (i) **Delivery period:** The tenderer whose tender is accepted shall arrange supplies within a period of from the date of supply order by as under:-
