| 1      | The RFP requires the Private Sector bidders to pay the Bid Security of Rs. 40 crores. It is stated that the same is as per the provisions of RTPP Act 2012 and Rule 2013. We wish to refer to another RFP no. C.Ag/Ci/Premium Rates/ 2018-19 2684-2700 dt. 11/05/2018 issued by Department of Agriculture, Government of Rajasthan, which was also in compliance and under the provisions of RTPP Act 2012 and the Rules of 2013 framed thereunder. The said RFP did not have any provision of Bid Security, and thus we request for the waiver of the Bid Security and Performance Guarantee provision in the RFP as well. | Provision of Bid Security and Performance Security has been kept as per provisions of RTPP Act and Rules, 2013.                                                                                                                                           |
| 2      | What happens when the limit of secondary is not sufficient to cover the treatment? Can beneficiary use tertiary care as well.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                               | Scheme envisages Secondary cover of Rs. 50,000/- per family per year for the packages listed under secondary list in the RFP. Beneficiary's secondary cover will be limited to upper ceiling of Rs. 50,000/- per family per year.                         |
| 3      | What happens when the limit of tertiary is not sufficient to cover the treatment? Can beneficiary use 50K of Secondary care as well.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                        | Scheme envisages Tertiary cover of Rs. 4.5 lakh per family per year for the packages listed under tertiary list in the RFP. Beneficiary's tertiary cover will be limited to upper ceiling of Rs. 4.5 lakh per family per year.                            |
| 4      | Can insurer exit after completing 1 year of the policy.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                     | No, Insurer can not exit after completing 1 year of policy as it is a contract of 2 years initially.                                                                                                                                                      |
| 5      | Enrolment- For how many family, premium will be received. As per our understanding, for 1.1 cr families full premium will be received for the year. Please confirm.                                                                                                                                                                                                                                                                                                                                                                                                                                                         | It has been detailed out in Premium Payment Guidelines laid down in Ann. 2.6 of volume 2 and Schedule 8 of volume 3 of the RFP.                                                                                                                           |
| 6      | Will we get enrolment data to understand that family getting treatment is covered under specific families for which premium is received?                                                                                                                                                                                                                                                                                                                                                                                                                                                                                    | There is no as such enrollment data of beneficiaries. ID card of the eligible family will be linked with the valid database of NFSA. This database has been prepared after multilevel filtration. No separate data will be shared with Insurance Company. |
| 7      | Package list if revised by NHA, whether applicable during currency of policy.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                               | There will be no change in the package rates till contract period.                                                                                                                                                                                        |
| 8      | How many hospitals are NABH accredited at entry level and full accreditation, in backward districts                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                         | This data is not available with RHSAA. |    | where number of private hospitals are less than 10 in existing scheme, teaching Govt. hospitals running PG/DNB courses.                                                                                                                                                                                                                           |                                                                                                                                                                                                                                                                                                                                                                                                                                                      |
| 9  | How many hospitals are currently empaneled and how many are registered under CE Act.                                                                                                                                                                                                                                                              | Numbers of currently functional hospitals under the scheme with RSHAA is being provided.                                                                                                                                                                                                                                                                                                                                                             |
| 10 | If claims not submitted within 24 hours by hospital, then can the claim be rejected.                                                                                                                                                                                                                                                              | Such claim can not be rejected straight away.                                                                                                                                                                                                                                                                                                                                                                                                        |
| 11 | Please elaborate the suspension process. In step three for suspension of hospital, SEC is to take decision on same and then after investigation again the SEC will consider the same. We suggest that rather the Suspension of watch Listed Hospitals should be allowed to be done by IC and then SEC can consider the matter post investigation. | Any hospital if found indulged in fraudulent practices can be suspended/de-empanelled directly but the ultimate authority of such suspension or de-empanelment is with RSHAA. RFP has provision wherein Insurance company can also recommend for action as detailed out in Ann. 2.5 of vol.2 and Schedule 5 of vol.3. Further State Empanelment Committee and District Empanelment Committee will also have a representative from Insurance Company. |
| 12 | How the BIS process will be done and if not then how PMJAY card will be made or will the scheme function completely / only on Bhamashah card? (the tender doc mention the ID card as decided by GOR)                                                                                                                                              | RSHAA would be using its own Beneficiary Identification System (BIS). This will work on ID card as decided by GOR. Presently it is being done on Jan Adhaar Card (old name Bhamashah Card). BIS will be Biometric verification based and live photo of the patient will be taken at the time of admission and discharge.                                                                                                                             |

Above responses to the queries raised during pre-proposal conference are issued. There shall be no change in any of the terms and conditions of the RFP.

(Shuchi Tyagi)  
CEO, RSHAA
